United Nations Environment Programme**

Thailand:* draft resolution

Report of the United Nations Environment Assembly of the United Nations Environment Programme

The General Assembly,

Reaffirming the mandate contained in its resolution 2997 (XXVII) of 15 December 1972, by which it established the United Nations Environment Programme, and other relevant resolutions that reinforce its mandate, as well as the 1997 Nairobi Declaration on the Role and Mandate of the United Nations Environment Programme of 7 February 1997,¹ the Malmö Ministerial Declaration of 31 May 2000² and the Nusa Dua Declaration of 26 February 2010,³

Reaffirming also its commitment to strengthening the role of the United Nations Environment Programme as the leading global environmental authority that sets the global environmental agenda, promotes the coherent implementation of the environmental dimension of sustainable development within the United Nations system and serves as an authoritative advocate for the global environment,

Recalling its resolutions [67/213](#) of 21 December 2012, [68/215](#) of 20 December 2013 and [69/223](#) of 19 December 2014,

* On behalf of the States Members of the United Nations that are members of the Group of 77 and China.

¹ *Official Records of the General Assembly, Fifty-second Session, Supplement No. 25 (A/52/25)*, annex, decision 19/1, annex.

² *Ibid.*, *Fifty-fifth Session, Supplement No. 25 (A/55/25)*, annex I, decision SS.VI/1, annex.

³ *Ibid.*, *Sixty-fifth Session, Supplement No. 25 (A/65/25)*, annex I, decision SS.XI/9.

Reaffirming the Rio Declaration on Environment and Development⁴ and its principles,

Taking into account Agenda 21⁵ and the Plan of Implementation of the World Summit on Sustainable Development (Johannesburg Plan of Implementation),⁶

Recalling the 2005 World Summit Outcome⁷ and the outcome document of the special event of the General Assembly to follow up efforts made towards achieving the Millennium Development Goals,⁸

Recalling also the Bali Strategic Plan for Technology Support and Capacity-building,⁹

Reaffirming its resolution 70/1 of 25 September 2015, entitled “Transforming our world: the 2030 Agenda for Sustainable Development”, in which it adopted a comprehensive, far-reaching and people-centred set of universal and transformative Sustainable Development Goals and targets, its commitment to working tirelessly for the full implementation of the Agenda by 2030, its recognition that eradicating poverty in all its forms and dimensions, including extreme poverty, is the greatest global challenge and an indispensable requirement for sustainable development, its commitment to achieving sustainable development in its three dimensions — economic, social and environmental — in a balanced and integrated manner, and to building upon the achievements of the Millennium Development Goals and seeking to address their unfinished business,

Reaffirming also its resolution 69/313 of 27 July 2015 on the Addis Ababa Action Agenda of the Third International Conference on Financing for Development, which is an integral part of the 2030 Agenda for Sustainable Development, supports and complements it, helps to contextualize its means of implementation targets with concrete policies and actions, and reaffirms the strong political commitment to address the challenge of financing and creating an enabling environment at all levels for sustainable development in the spirit of global partnership and solidarity,

Committed to strengthening international environmental governance within the context of the institutional framework for sustainable development in order to promote a balanced integration of the economic, social and environmental dimensions of sustainable development as well as coordination within the United Nations system,

Committed also to enhancing the voice of the United Nations Environment Programme and its ability to fulfil its coordination mandate within the United Nations system by strengthening its engagement in key United Nations coordination

bodies and empowering it to lead efforts to formulate United Nations system-wide strategies on the environment,

Reiterating the need for secure, stable, adequate and predictable financial resources for the United Nations Environment Programme, and, in accordance with resolution 2997 (XXVII), underlining the need to consider the adequate reflection of all the administrative and management costs of the Programme in the context of the United Nations regular budget,

Reaffirming the commitments, as contained in the ministerial outcome document of the first session of the United Nations Environment Assembly of the United Nations Environment Programme, held in Nairobi from 23 to 27 June 2014,¹⁰ inter alia, to ensure the full integration of the environmental dimension, especially throughout the sustainable development agenda, acknowledging that a healthy environment is an essential requirement and key enabler for sustainable development,

1. *Welcomes* the holding of the second session of the United Nations Environment Assembly of the United Nations Environment Programme, in Nairobi, from 23 to 27 May 2016, and takes note of the report on the session and the resolutions and decisions contained therein;¹¹

2. *Commends* the commitment of the United Nations Environment Assembly to contributing to the effective implementation of the environmental dimension of the 2030 Agenda for Sustainable Development,¹² in an integrated manner, as reflected in its resolution 2/5 of 27 May 2016,¹³ and welcomes its commitment to continuing to contribute, in accordance with its mandate, to the follow-up to and review of the 2030 Agenda at the high-level political forum on sustainable development;

3. *Invites* the Economic and Social Council to allocate time in the programme of the high-level political forum on sustainable development, to be held in July 2017, for the inclusion of a briefing by the President of the United Nations Environment Assembly, in order for the President to report to the Council on the efforts undertaken to ensure the full integration of the environmental dimension throughout the 2030 Agenda for Sustainable Development, the development of system-wide strategies on the environment and the promotion of a strong science-policy interface;

4. *Takes note with appreciation* of the decision of the United Nations Environment Assembly, in its resolution 2/10,¹³ to invite the Executive Director of the United Nations Environment Programme to provide the necessary input for the United Nations Conference to Support the Implementation of Sustainable Development Goal 14: Conserve and sustainably use the oceans, seas and marine resources for sustainable development, to be organized in June 2017, as appropriate;

5. *Reiterates* that capacity-building and technology support to developing countries in environment-related fields are important components of the work of the
